### HALLOWEEN PARTY - A NIGHTMARE ON GRANCE ST

Gremlins and Goblins and Witches on brooms,  
You are invited to a party under the moon!

Does an evening of fright sound alright?  
Then be our guest on Halloween night.

It might be Scary...  
It might be a Fright...  
But it's sure to be Fun,  
on Halloween Night!

Double, double toil and trouble,  
Fire burn and cauldron bubble,  
LEST YOU FORGET A COSTUME TO WEAR,  
Be wary of the witches DEATH stare.

Held on Friday November 7th, this was another  
successful event the SLSA organised. Drinks  
and refreshments were provided and every-  
body really enjoyed themselves!

### ROMEECO BAKERY OPENING

As promised, the opening of the new Romeeco Bakery went without a hitch on the 6th of November. A lot of people turned out to the event and it was very successful. Be sure to visit the bakery and show your support to this local business. We wish Romeeco Bakery all the best and hope you guys have a prosperous future.

### TROPHY TOUR

Dunedin was host to ICC Cricket World Cup Trophy and everyone got a chance to get their photos taken with it and take part in other activities. As a way to showcase our culture, the SLSA organised 2 dances performed by our lovely young ones. The dances were broadcasted on Breakfast on TV1 and Dunedin TV (channel 39: <http://www.dunedintv.co.nz/content/hundreds-gather-see-cricket-world-cup-trophy>). You can watch the video of the dances on youtube
